Alpacaseller UK

<http://www.alpacaseller.co.uk/>

Next to the cricket ground you will see a small herd of alpacas. Alpacas have been domesticated for thousands of years, although they are relatively new to the UK. They are bred for the quality of their coat, which is incredible soft and fine. East Meon is the home of AlpacaSeller UK, a business that matches buyers and sellers across the UK.

Alpacaseller UK is sponsoring this years "Big Six" award.
